iWork: The Missing Manual Jessica Thornsby, Josh Clark, 2014-03-18 Apple's iWork is more versatile than ever now that there are versions for Mac, iOS, and even iCloud. The only thing iWork doesn't include is its own how-to guide. That's where this friendly, jargon-free Missing Manual comes in. With complete instructions and helpful examples, you'll quickly learn how to create stunning documents, slideshows, and spreadsheets with iWork's Pages, Keynote, and Numbers. The important stuff you need to know: Create elegant files in minutes. Save tons of time by using iWork's collection of prebuilt templates and themes. Craft a variety of documents. Use Pages to design attractive newsletters, catalogs, brochures, flyers, and posters. Build eye-popping presentations. Turn Keynote's themes and easy-to-use cinematic effects into beautiful custom slideshows. Organize and clearly convey information. Jazz up your Numbers spreadsheets with charts, images, and videos. Always have your work on hand. Store your files in iCloud and have them sync automatically to your Mac and iOS devices. Work anywhere, any time. Use the web-based iWork for iCloud to create projects on any computer—even a PC. Versions covered: This edition covers Pages for Mac 5.1, Keynote for Mac 6.1, Numbers for Mac 3.1, version 2.1 of each iOS app, and iWork for iCloud.

The Residential Agent's Handbook for Commercial Real Estate Brian Hennessey, 2019-01-11 Create another revenue stream from your current client base and attract new clients by helping them with their commercial real estate needs. The biggest trend in the commercial real estate brokerage business in the past decade is the number of residential agents involved with commercial transactions. It used to be very rare for residential agents to participate in a commercial lease or sale, but today it is more common and acceptable to consumers and the commercial real estate industry. This is due to several factors: more internet resources available for residential agents to learn about commercial transactions; more digital platforms for residential agents to advertise their properties for sale or lease, and more flexible residential brokerage companies. If you have ever thought of getting involved with commercial transactions, but were hesitant because it seemed too difficult, this book will dispel those self-imposed limitations and put you on the FAST TRACK TO EARNING MORE with commercial transactions.

[Adventures in Mixed Media](#) Jane Davies, 2011-04-26 Mixed media in all its forms—not just traditional two-dimensional, paper-based collage but three-dimensional pieces that include fiber, fabric, a variety of embellishments, found objects, and even repurposed and recycled materials—offers artists an opportunity to move freely across the boundaries of art, craft,

painting, quilting, and collage. In *Adventures in Mixed Media*, Jane Davies shows you how to use this art form to enrich your creative expression. In lessons that inspire creativity, Jane demonstrates a variety of techniques using paper, fabric, embellishments such as beads, feathers, and ribbons, fusible and nonfusible fibers, and even foamcore. Books, bags, mini-quilts, personal shrines, and paper dolls are just some of the projects inside—and of course Jane emphasizes ways to incorporate photos and other personal memorabilia and details into your art. Whether you are a beginner and want to start with techniques like “scribble painting” or “basic collage,” or an expert collage artist eager to learn new uses for familiar materials, this is the book to guide your creative explorations in collage and mixed media.

The Tech-savvy Real Estate Agent Galen Gruman, 2006 Sure, you know how to use the MLS database, but do you know how to effectively establish a Web presence or do customer outreach via email or the Web? There are all kinds of ways you can use technology to market your practice and service your clients, but if you're like most realtors you've probably only scratched the surface. In this easy-to-understand guide, author Galen Gruman draws on his more than 20 years of experience as a tech-industry author and journalist to show you how to become a better real estate agent by learning and effectively using current computer technology and tools in your business. You'll learn what technology to use as well as what technology not to use, so that you're certain to spend your tech dollars effectively. In major sections on marketing, communications, and transaction management, Galen covers everything from the elements of a good Web site to evaluating devices and services, working in multiple locations, creating transaction libraries, using digital photography, converting documents to electronic forms, and more. This book also includes a CD-ROM for both Windows and Mac with templates, product and technology links, tryout and free software tools, and even quizzes for use in classroom and training environments.
