Book of Basic Mazes: Volume 3 50 Hard Mazes For Kids 8-12 Allen Nelson,2018-08-05 Help Stinky Sparrow and his companions on various adventures in this maze book. Level α Hard This 6 x 9 maze book is hard, with varying degrees of difficulty between each maze. Each maze will probably involve you retracing the path and taking a new route before you make it to the finish. You will require patience to complete each maze. Besides being a lot of fun, mazes have many benefits for your child! They help develop fine motor skills for anybody that needs it, i.e., preschool children, adults with various disabilities Like some other brain games, mazes are known to increase the user's attention to detail and improve their problem-solving skills They help improve their visual motor by having to scan the page for possible solutions Completing a maze can help boost your child's confidence Answers are provided at the end of the book.

If you've never done a maze before, the idea is to use a pen or pencil and draw a line from the start to the end, hitting as few dead ends as possible. In this way, maze books can be made into games for yourself or a friend to see who can do the best. The start and end positions are usually marked in some way.

Mazes make great travel activities and are fantastic to bring while traveling as both car and plane trips can be rather boring for young children. Maze puzzles come in many shapes and difficulties, so you will find one that your child, no matter the age, will find challenging. Along with being fantastic a stocking stuffer, this book is a convenient size to bring on both school and camping trips.
