Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Etiquette Isabel Parkinson,2020-09-04 Praise for ETIQUETTE I loved it! It's literary comfort food: intrigue, lashings of scones, and an impressively drawn main character. A fabulous page-turner! A fast-paced, funny and clever debut - Paula Byrne, bestselling author. A delightful young adult novel, with a strong northern female main character: she's fun, rebellious and a fish out of water at her new school - Sheffield Telegraph. Synopsis When stubborn, off-the-rails Cam is packed off to an elite boarding school, she's out of her depth. In this hallowed institution where lunchtimes double up as etiquette seminars, and flower-arranging classes are as commonplace as Maths lessons, all it takes is incorrect napkin placement to see you excluded by England's grandest girls. Cam has no choice but to leave behind detentions, parties, and her late-night kebab habit and embrace a world of canapés, curtsies, and caviar - but will she make it through the school year or is history set to repeat itself? Will the girls with the most hyphens in their names turn out to be the nicest? And just how are you meant to eat a lobster, anyway?
