**Flip! How the Frisbee Took Flight** Margaret Muirhead,2021-04-27 The origin story of the Frisbee soars with unexpected twists and turns. Fred Morrison is credited as the inventor of the Frisbee, but for centuries folks have been flipping for flying discs. Ancient Greeks flicked discs, and beginning in the 1920s, college kids at Yale University were tossing pie tins. Fred lived in California and had no idea about ancient Greeks or East Coast college kids. His invention quest began in 1932 after tossing a tin popcorn lid around the backyard. For more than twenty years, Fred and his wife, Lu, tried and failed to perfect a flying-disc concept. Eventually they created what we know today as the Frisbee. Their story is full of good old-fashioned perseverance, success, and fun!

**Programming in HTML and PHP** David R. Brooks,2017-09-04 This concise and accessible textbook will enable readers to quickly develop the working skills necessary to solve computational problems in a server-based environment, using HTML and PHP. The importance of learning by example (as opposed to simply learning by copying) is emphasized through extensive use of hands-on exercises and examples, with a specific focus on useful science and engineering applications. The clearly-written text is designed to be simple to follow for the novice student, without requiring any background in programming or mathematics beyond algebra. Topics and features: describes the creation of HTML pages and the characteristics of HTML documents, showing how to use HTML tables, forms, lists, and frames to organize documents for use with PHP applications; explains how to set up a PHP environment, using a local or remote server; introduces the capabilities and syntax of the PHP language, including coverage of array syntax and use; examines user-defined functions in programming, summarizing PHP

functions for reading and writing files, viewing the content of variables, and manipulating strings; reviews the PHP GD graphics library, presenting applications for creating pie charts, bar graphs, and line graphs suitable for displaying scientific data; includes appendices listing HTML and ASCII special characters, and highlighting the essential basic strategies for solving computational problems. Supplying all of the tools necessary to begin coding in HTML and PHP, this invaluable textbook is ideal for undergraduate students taking introductory courses in programming. The book will also serve as a helpful self-study text for professionals in any technical field.

Construction Quantity Surveying Donald Towey, 2017-11-13 The revised and updated comprehensive resource for Quantity Surveyors working with a construction contractor The second edition of Construction Quantity Surveying offers a practical guide to quantity surveying from a main contractor's perspective. This indispensable resource covers measurement methodology (including samples using NRM2 as a guide), highlights the complex aspects of a contractor's business, reviews the commercial and contractual management of a construction project and provides detailed and practical information on running a project from commencement through to completion. Today's Quantity Surveyor (QS) plays an essential role in the management of construction projects, although the exact nature of the role depends on who employs the QS. The QS engaged by the client and the contractor's QS have different parts to play in any construction project, with the contractor's QS role extending beyond traditional measurement activities, to encompass day-to-day tasks of commercial building activities including estimating, contract administration, and construction planning, as well as cost and project management. This updated and practical guide: Focuses on the application, knowledge and training required of a modern Quantity Surveyor Clearly shows how Quantity Surveying plays an essential central role within the overall management of construction projects Covers measurement methodology, the key elements of the contractor's business and the commercial and contractual management of a construction project The construction industry changes at fast pace meaning the quantity surveyor has a key role to play in the successful execution of construction projects by providing essential commercial input. Construction Quantity Surveying meets this demand as an up-to-date practical guide that includes the information needed for a Quantity Surveyor to perform at the highest level. It clearly demonstrates that quantity surveying is not limited to quantifying trade works and shows it as an important aspect of commercial and project management of construction projects.

**Applied Java Patterns** Stephen Stelting, Olav Maassen, 2002 Sun Microsystems experts Stelting and Maassen describe how design patterns can be applied effectively to the Java platform and present proven techniques for all types of patterns, from system architecture to single classes. Applied Java Patterns features a pattern catalog organized into four major categories - the creational, structural, behavioral, and system patterns. In addition, the authors identify patterns in the core Java APIs and present techniques for pattern use in distributed development.

The Jinni Key Bethany Atazadeh, 2019-12-03 She holds the key to his heart, and he wants it back. When Arie reveals her Gift, she thinks the worst is over. But she couldn't be more wrong. The only one who can save her now is a mermaid named Rena. Rena is the youngest daughter of the Sea King, and she's dreamed of the surface for years. But her first visit on her 16th birthday isn't what she expects. She watches a Jinni fall from the sky—and chooses to save him, despite her mother's warnings that all Jinn are evil. Once she meets Gideon, she can't get him out of her mind. And maybe, with a little help from Arie and some magic of her own, she doesn't have to... The Jinni Key is a loose Little Mermaid retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of The Little Mermaid. WHAT READERS ARE SAYING: There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale. Rachael Martin (Goodreads Reviewer) I went into this story super excited to find out more about Rena and Arie, and I was left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved The Stolen Kingdom, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun. Sarah Sutton (Goodreads Reviewer) I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on The Little Mermaid. It goes so far past that and you are invested in everything that is happening... Katelyn Spedden (Goodreads Reviewer) There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series! Elira Barnes (Goodreads Reviewer) This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved

how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality. She makes an amazing POV character. Andrea Roberts (Goodreads Reviewer) Once again, Bethany Atazadeh takes some risks with this Little Mermaid retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end. Janine (Goodreads Reviewer) I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story. Kaylee White (Goodreads Reviewer) THE STOLEN KINGDOM SERIES READING ORDER: Book 1: The Stolen Kingdom: An Aladdin retelling Book 2: The Jinni Key: A Little Mermaid retelling Book 3: The Cursed Hunter: A Beauty and the Beast retelling Book 4: The Enchanted Crown: A Sleeping Beauty retelling THE QUEEN'S RISE SERIES (a connected trilogy in The Stolen Kingdom Universe) Book 1: The Secret Gift Book 2: The Secret Shadow Book 3: The Secret Curse

adventures with Penny!

**Wreck My World** Victoria Ashley,2022-04-08 The feeling I have in this very moment, after not seeing her for so long, will haunt me forever, reminding me why I left to begin with. For as long as I can remember, Easton Crews has been off-limits. As much as it kills me, that's never going to change. After his little disappearing act three years ago, then suddenly showing up out of nowhere, I shouldn't want anything to do with him. It doesn't matter how beautiful he still is. Or how close we once were. It shouldn't matter that my entire body lights on fire with need whenever he gets close. He chose the worst possible time to leave without so much as a goodbye. However, just like the first day he walked into our home, I'm drawn to him, needing him near me just as badly as I need air to breathe, and I can't stand it. I want to hate him. I know I should hate him. But hating him is the last thing he'll let me do. I push, he pulls harder, until I'm completely wrapped up in him, my mind lost in the one person who is forbidden-the one person I've always loved, even when he belonged to someone else. Easton was never meant to be mine. It took me years to come to terms with that and now that I finally have, he's here, right in front of me, more irresistible than ever. The part I fear the most about that-he's the one person capable of completely wrecking my world. I'm not leaving until you take all of your hate out on me. Let me feel it. All of it. Every dirty look. Every nasty word. I will have it all before I leave. Stop hiding from me.

The Cursed Hunter Bethany Atazadeh,2020 Nesrin Ahmadi needs a dragon's egg, no matter the cost. The money from its sale could cancel her family's enormous debt and keep them in the lavish lifestyle they're accustomed to. Only one problem. A dragon's egg is incredibly rare; and no one has ever found one fully intact before. After years of searching, she's about to give up, when debtors come to threaten her family. Climbing to heights she's never dared to go before, Nes risks everything to find an egg... ..and finds a dragon instead. The Cursed Hunter is a loose Beauty and the Beast retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy clean romance, adventure, and intrigue, then try the books in The Stolen Kingdom series now! These interconnected fairy tale retellings each feature a different princess who has to fight for her happily ever after. **\*\*Grab your copy today!\*\*** EARLY READER REVIEWS: People will be turning pages as fast as they can. - early reviewer It was sarcastic and snarky and made me laugh. - early reviewer This is probably my favorite book in the series so far. - early reviewer PRAISE FOR THE STOLEN KINGDOM SERIES: A dainty princess and a friendly genie are replaced with a tough heroine who fights back and a magical race everyone fears in this addicting fairy tale twist on Aladdin.- Vivien Reis, author of The Elysian Prophecy A beautifully whimsical story in a new fantasy retelling series, which pays lovely homage to its predecessor. The Stolen Kingdom is a creative take on a classic that is sure to enrapture readers. - Jessi Elliott, author of Twisted Fate The Stolen Kingdom is a spellbinding story that pulled me in from the first page. [The Baller Teacher Playbook](#) Tyler Tarver Ed S, 2021-02-18 Does your classroom run the way you want? Most people enter the teaching profession wanting to make a difference in young people's lives. However, more and more teachers feel lost, frustrated, and overwhelmed with everything they're required to do. It's hard to be successful without a clear plan on getting control of your classroom, empowering your students, and making the learning experience more enjoyable for you and your students. These 18 chapters are crucial for any educator who wants to take their teaching to the next level. Teacher, Principal, Director, Dean, and YouTube/TikTok teacher, Tyler Tarver knows that education is more than just standing in front of students lecturing them on a specific topic - it's a culture of learning that educators foster to train the next generation. If you are attempting to be the best educator you can in the environment you're in, you need ideas and encouragement from someone who's been exactly where you are. Even if you had the time, money, and support we know teachers deserve, we know that applying any knowledge always has a greater impact when you're able to give personal and practical application to the ideas you know matter. Besides sitting through 60+ hours a year of professional development, there is another way to incrementally improve your teaching week after week. Spoiler Alert: It can also be fun. Tyler Tarver learned how to create the culture he wanted in his classroom. He was able to pass this on to any educator who wanted to get

excited about teaching and have a deeper impact on their students. He wrote *The Baller Teacher Playbook* to teach others what it takes to expand your teaching and create a community of happy and engaged learners. These short, weekly chapters and accompanying resources will add enormous value to your classroom and the school you work for. In this 18-week guide, readers will be introduced to the top areas where truly successful teachers and their students excel: Reason vs Excuses: How do you overcome the hurdles inherent in education? Fun: How do you get yourself and students excited about learning? Creativity: How do you create a culture where every day is unexpected but not chaotic? Positivity: How can we roll with the punches but not have to fake it? Authenticity: How can I be myself but genuinely connect with young people? Leadership: How do I get my students to lead without me? Collaboration: How do I work with my administrators, colleagues, and parents to better every student's education? Diversity: How do I help build empathy and understanding among myself and my students? Development: How am I always getting better? Plus more! *The Baller Teacher Playbook* is the must-have guide for anyone who feels lost or overwhelmed by the current educational climate, even if they have been teaching for years. Learn from a fellow educator who had their fair share of mistakes and successes through the simple but effective tactics shared in these pages. Take things further: If you want to move forward even faster as an educational professional, read a chapter once a week with your team, and come together at weekly meetings to discuss experience, ideas, triumphs, and a community of educators trying to improve themselves and their classroom.
