Huskerville Roger C. Aden, 2007-10-29 This work reveals the storied love affair that has long existed between native Nebraskans and the University of Nebraska football team. The author draws upon his experiences as a devoted Huskerviller, and the insights of more than 500 other Husker fans who shared their ideas through interviews, questionnaires, and Internet communication, to compose a story that highlights how the culture, history, and geography of Nebraska are intimately embedded in fans' devotion to the Cornhuskers. The book features photographs and an extensive bibliography, while an appendix provides 16 essays written by devoted Husker fans.

Nebraska Cornhusker Football Mark Fricke, 2005 When Matt Davison made a diving catch on the famous flea-flicker play against Missouri in 1997, securing Nebraska's perfect season, the Husker faithful were in football nirvana. And that memorable play was preceded by over a century of Nebraska Football greatness. The team was winning conference championships back in the 1890s, and was an established national powerhouse by the time they joined the Big Eight (later Big Twelve) in 1928. Even the mediocre years brought excitement, such as the stunning 25-21 upset of the unbeatable Sooners in 1959. Five National Championships (1970, '71, '94, '95, and '97) under the coaching of Bob Devaney and Tom Osborne, when the Huskers won at least 9 games per season for over 30 straight years, is an accomplishment of which most collegiate football programs can only dream.

Heart of a Husker Mike Babcock, 2006 Heart of a Husker is a portrait of Nebraska football coaching legend Tom Osborne, drawn with interviews from former players and coaches who were with the team during his 25 seasons as head coach. Osborne is a congressman now, in his third term in the House of Representatives. Among the most successful coaches in college football history, Osborne's Cornhuskers had a combined record of 255-49-3 from 1973-1997. They won or shared 13 conference titles, went to bowls in each of his 25 seasons and won three national championships in his final four seasons. Osborne reached 200 victories and 250 victories quicker than any major college head football coach and is a member of the College Football Hall of Fame. Heart of a Husker is an intimate look at a man whose quiet, but intense, demeanor touched thousands of lives, both on and off the college gridiron.

A Salute to Nebraska's Tom Osborne The Lincoln Journal Star,1998 Through the stories and photographs in A Salute to Nebraska's Tom Osborne, the staff of the Lincoln Journal Star has captured the essence of the remarkable man who, over a span of 25 years, made winning a way of life for his Cornhusker players. Readers will learn about the coach's life before coming to Lincoln, his devotion as a family man, his love for kids, his work as a humanitarian, and how he dealt with the tragic death of Brook Berringer.

The Nebraska Way Jonathan Crowl,2007-10 Covering a 45-year period, The Nebraska Way chronicles both the historic rise and gradual fall of the Nebraska football dynasty, from the hiring of Bob Devaney and succession of Tom Osborne to the firing of Frank Solich and rapid separation from tradition. Along with the highs and lows of the Cornhuskers' achievements, The Nebraska Way also attempts to define Tom Osborne's philosophy as a coach and mentor as well as the relationship between the football program and the state it represents. Also discussed is the transition from a unique and special program to one assuming the characteristics of any other major college football program, and what it means for the future of the University of Nebraska football program.

Sports Fans, Identity, and Socialization Exploring the Fandemonium Adam C. Earnheardt,Paul M. Haridakis,Barbara S. Hugenberg,2012 Once deemed an unworthy research endeavor, the study of sports fandom has garnered the attention of seasoned scholars from a variety of academic disciplines. Identity and socialization among sports fans are particular burgeoning areas of study among a growing cadre of specialists in the social sciences. Sports Fans, Identity, and Socialization, edited by Adam C. Earnheardt, Paul Haridakis, and Barbara Hugenberg, captures an eclectic collection of new studies from accomplished scholars in the fields such as communication, business, geography, kinesiology, media, and sports

management and administration, using a wide range of methodologies including quantitative, qualitative, and critical analyses. In the communication revolution of the twenty-first century, the study of mediated sports is critical. As fans use all media at their disposal to consume sports and carry their sports-viewing experience online, they are seizing the initiative and asserting themselves into the mediated sports-dissemination process. They are occupying traditional roles of consumers/receivers of sports, but also as sharers and sports content creators. Fans are becoming pseudo sports journalists. They are interpreting mediated sports content for other fans. They are making their voice heard by sports organizations and athletes. Mediated sports, in essence, provide a context for studying and understanding where and how the communication revolution of the twenty-first century is being waged. With their collection of studies by scholars from North America and Europe, Earnhardt, Haridakis, and Hugenberg illuminate the symbiotic relationship among and between sports organizations, the media, and their audiences. *Sports Fans, Identity, and Socialization* spurs both the researcher and the interested fan to consider what the study of sports tells us about ourselves and the society in which we live.
