Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

These Precious Days Ann Patchett,2021 The international bestselling writer Ann Patchett has been described as 'one of the foremost chroniclers of the burdens of emotional inventory and its central place in American lives' and 'a master of her

art' (Observer). In her new collection, with her trademark blend of wryness, intelligence and wisdom, she explores family, friendship, marriage, failure, success - and how all these forces have shaped her as a writer. Ranging from the personal - her portrait in triptych of the three men she called her fathers, to unexpectedly falling into a friendship with Tom Hanks, to how to answer when someone asks why you don't have children - to the sublime - exploring the Harvard Museum of Natural History before its doors open, or the perfection to be found on a single page of Eudora Welty - each essay shows Patchett's strikingly original perspective, and the magical sleight of hand with which she transforms the particular into the universal. Illuminating, penetrating, funny and generous, *These Precious Days* is joyful time spent in the company of one of our greatest living authors.

The hormones of the menstrual cycle profoundly influence our energy, mood and behaviour, but all too often we're taught that our hormones make us unreliable, moody bitches, or that it's our lot in life to put up with 'women's problems'. Maisie Hill, a women's health practitioner, knows the power of working with the menstrual cycle and refuses to accept this theory. Instead, Maisie believes that our hormones are there to serve us and, if utilized correctly, can be used to help you get what you want out of life. Yes, we are hormonal, and that's a very good thing. This revolutionary book reveals everything you need to know about taking control of your menstrual cycle and outlines *The Cycle Strategy* to help us perform at our best, throughout our cycle. In *Period Power* you will discover how to: - maximise your natural superpowers each month while making adjustments for the darker days, and use Maisie's favourite tips to improve them - identify your personal patterns, powers and pitfalls for each phase of the menstrual cycle - plan your month to perform at your best in all aspects of your life - figure out if you have a hormonal imbalance and what to do about it. *Period Power* is a no-nonsense guide with all the tools you need to improve your menstrual health.
