Vector Art Fundamentals Edward Morgan MA,2018-08-03 Welcome to Vector Art Fundamentals: Digital Media Arts Series Vol. 2 for beginning, intermediate, and advanced, arts and design users. Through a series of rigorous scaffolding projects, this unique step-by-step instruction tool is designed to provide arts and design users with the fundamental skills and knowledge to create vector-based artwork and establishes a link to the Californian standards for the visual arts, the Californian career and technical education standards (CTE), and the standards for the International Society for Technology in Education (ISTE). The lessons in this book are designed so that you can learn at your own pace. Even if the user is new to Adobe Illustrator or vector-based drawing, the skills learned are transferable to most vector-based drawing programs. Through this book, every experienced artist will gain many advanced skills, including tips and techniques for using Adobe Illustrator CS6. Although each lesson in this book provides a step-by-step instruction for creating specific projects, the steps, techniques, and tools covered allow for students to experiment and explore their own ideas. This book is designed to be followed in sequence; however, if your skills and understanding are advanced enough, you can jump to any unit that

corresponds to your interests and needs. Each lesson concludes with a Testing Your Understanding section and vocabulary list to summarize and reinforce what you have covered.
